RE: DE-REGISTRATION OF STUDENTS

This is to inform all **students (including postgraduate and distance learning students) who have exceeded** the stipulated period prescribed for completing their respective programmes as per Statute 48 (4) of Egerton University Statutes 2013, but not yet graduated due to pending failed courses or any other reason, that they have automatically been de-registered. The stipulated period is twice the duration of the programme.

Such students, however, **MUST** normalize their admission status with their respective Faculties/Directorates by **2nd August 2019**. Resit examinations will be held as follows:

Ø **Njoro and Nairobi City Campus - 26th August to 6th September 2019**

Ø **Nakuru Town Campus College - 16th to 20th September 2019**
